

Press Release

# *A1 Shredding to Raise Funds for St. Jude Children's Research Hospital®*

Contact: Chris Passmore  
Phone Number: 832.443.4024

**Houston, Texas** – A1 Shredding will be gearing up on July 18 from 8 a.m. until 1 p.m. at Lamar High School. The event will raise funds for St. Jude Children's Research Hospital®, the premier center for the research and treatment of childhood cancer and other deadly diseases.

“We invite everyone to come out, bring those old files. Protect your identity and help us fund to find cures and save children with cancer.” said Chris Passmore, coordinator of the event.

A1 Shredding will have one of their on-site shredding vehicles in the West Side Parking Lot at Lamar High School. Participants can donate \$20 per box (24"x15"x10") and all the monies collected will go directly to St. Jude Children's Research Hospital. Participants are encouraged to invite friends and family to this event. For more information or to participate, contact Chris at 832.443.4024.

Through programs like *A1 Shredding*, the idea of St. Jude founder Danny Thomas to raise funds for the hospital through community-based events is able to continue.

St. Jude Children's Research Hospital is internationally recognized for its pioneering work in finding cures and saving children with cancer and other catastrophic diseases. Founded by late entertainer Danny Thomas and based in Memphis, Tennessee, St. Jude freely shares its discoveries with scientific and medical communities around the world. No family ever pays for treatments not covered by insurance, and families without insurance are never asked to pay. St. Jude is financially supported by ALSAC, its fundraising organization, through events such as *A1 Shredding*. For more information, please visit [www.stjude.org](http://www.stjude.org).
